

RE - Belonging

Our school uniform shows we all belong to Hunnyhill Primary.

1) What does belonging mean to me?

Think about somewhere you belong. Can you draw, write about or take a photo of something that shows that you belong? This might be badges, uniform or objects that show you belong.

2) When is belonging important?

What would it feel like if you were left out of something?

What would it be like if you didn't want to belong to something? Jot down how you think you would feel.

I would feel....

3) What does belonging mean?

At Hunnyhill, we are 'Proud to Belong'. Draw, write or take a photo of something to show how we all belong at Hunnyhill Primary School.

We are going to create a display. Can you include how it makes you feel to be a part of Hunnyhill Primary School?

4) How can Muslims show belonging?

For people who follow a religious faith, they can show their sense of belonging in many ways. Some choose to wear certain clothes or take part in certain activities. For Muslims, taking part in the Hajj is a very important pilgrimage that they must complete at least once in their lifetime (if they are able). Muslims unite together for this special time.

How do these Muslim people all show they belong to their faith?

5) What is the importance of belonging to me and/or Muslims?

Think about one or both of these questions. Write down your ideas.

- 1) How would you feel if you were the only one at school, or a club, not wearing the uniform?
- 2) How do you think Muslims would feel if they were not able to practice a religious ritual (such as the Hajj) or not allowed to wear their religious clothing?
