

LO: Can I use adjectives to describe Little Red Riding Hood and the Wolf?

W/b 08.02.21

The central illustration shows a grey wolf running along a dirt path in a forest. The wolf is in mid-stride, looking back over its shoulder. To the right of the main illustration is a smaller, square inset showing a close-up of a wolf's face, looking forward with its mouth slightly open. Surrounding the central image are six pairs of horizontal lines, each pair consisting of a purple line on the left and a green line on the right. Arrows point from the central image to each of these pairs of lines: one pointing up, one pointing left, one pointing down, one pointing right, one pointing right (lower), and one pointing down (lower).

*Choose your best adjectives from above and write a sentence to describe the wolf.*
